

Palm Beach Surf Life Saving Club

Competitor Uniform Policy

Purpose:

To outline Palm Beach SLSC uniform policy for competitors

Policy Scope and Application:

The policy applies to all club members representing Palm Beach SLSC in SLSA competitions. To avoid any doubt, this includes nipper, senior, master and boatie members of Palm Beach SLSC.

Swimwear and competition wear:

Palm Beach SLSC members should wear club approved swimwear when competing on behalf of the club at carnivals. Members are responsible for purchasing their own swimwear.

Members are responsible for purchasing their own pink rashies and club caps. At all times, pink rashies should meet competition regulations.

At SLSA Australian Championships, race singlets are provided within the entry cost and should be worn at all times when competing at Australian Championships.

Carnival Beach Wear:

The club will provide competitors with a long-sleeve or short-sleeve t-shirt for participation at State and Australian Championships. All other club beach wear and apparel is the responsibility of the competitors.
