## DRESS OF COMPETITORS

### HI VIS RASH SHIRTS

Surf Life Saving Queensland (SLSQ) is committed to ensuring all surf sports events are run at the highest standard whilst ensuring the safety of competitor's remains paramount at all times. With this in mind SLSQ will be implementing a policy requiring all competitors in ocean or open water-based surf lifesaving events held in Queensland to wear a high visibility lycra/rash top/singlet/stinger suit/buoyancy vest. In order to allow competitors sufficient time to acquire the clothing this policy will come into effect on September 22, 2012.

This policy applies to anyone who competes in a surf lifesaving ocean or open water-based event endorsed by SLSQ. This includes members from a club outside of Queensland or members of the public who compete in a Queensland based event. Events defined as surf lifesaving ocean-based events are defined in the surf sports manual. The vest must be worn in **all** ocean based events, with the exception of beach events, march past, first aid competition, reelman in Belt races (linesmen are not exempt). High Visibility vests must also be worn in all open water events conducted or endorsed by SLSQ. High visibility vest will not be required for pool based events.

Competitors are also required to wear the necessary competition cap. Please refer to the SLSA Surf Sports Manual for applicable rules.

**A Maximum of TWO (2) representatives per club are to attend. YOU are to ensure that you have your state teams ready.**

**SLSQ POINT DANGER BRANCH**  
**CODE OF CONDUCT FOR PARENTS**

<b>1. PARTICIPATION</b>	If children are interested, encourage them to be involved in sport. However, if a child is not willing to be involved, do not force them and do not allow Coaches/Team Managers to do likewise. Remember that children participate in sport for their enjoyment not yours.
<b>2. ENCOURAGEMENT</b>	encourage children to play according to the rules and focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals relating to his/her ability by reducing the emphasis on being the best.
<b>3. RESPECT</b>	Respect the Officials decisions and encourage children to do likewise. If you disagree with an official, raise the issue through the appropriate channels rather than question the Official's judgment and honesty in public. Remember, Officials give their time and effort for your child's involvement.
<b>4. GOOD EXAMPLE</b>	Remember that children learn best from example. Applaud good play and effort by all competitors. Do not publicly berate your child or others.
<b>5. PLAY FAIR</b>	Support all efforts to remove verbal and physical abuse from sporting activities including verbal abuse of Officials, sledging other players (including vilification) or deliberately distracting or provoking an opponent.
<b>6. RECOGNISE</b>	the value and importance of volunteer Coaches, Officials and support personnel. They give their time and resources to provide recreational activities for the children and deserve your support.
<b>7. SUPPORT</b>	all policies and rules relative to the event and ensure you are aware of them. This will ensure fair play from all participants.
<b>8. UNDERSTANDING</b>	that in surf sports the competitors have a full program (at times based on blanket entry practices by the club) and that exhaustion and conditions can cause a child to determine that they don't want to be in an event. Children should be given the right to choose and parents, team managers and coaches should refrain from any tactics that may be construed as coercion i.e. "you will be letting the team down if you don't race".
