It is most important that the information in this Circular is brought to the attention of all Carnival Officials, Team Managers, Coaches and Competitors.

5. ELIGIBILITY TO COMPETE

All Competitors wishing to compete at the 2020 Queensland Masters and Senior Championships must be proficient in their Bronze Medallion by the close of entries to be eligible to compete.

All entered athletes must have completed and signed the SLSA "Application for Membership Form" or their countries relevant document and paid any required membership fees as proof of their eligibility to race.

NB: It is an offence to enter a person who does not meet any of the above requirements (even if events appear in Carnival Manger it doesn't mean the competitor is eligible for all those events), and any irregularities will be considered and dealt with by the SLSQ State Surf Sports Committee or the 2020 Queensland Championships Disciplinary Committee accordingly.

The conditions for both the 6 person and 5 person R&R events are detailed in the 28th Edition of the Rescue and Resuscitation Competition Manual (revised November 1999) and any subsequent Bulletins.

9. VOLUNTEER (OFFICIAL/WATER SAFETY/FIRST AID) REQUIREMENTS

Officials

Clubs please note that if the required number of officials is not met through the volunteer official's nominations, SLSQ will enforce a 1:10 ratio for the total number of competitors attending the Championships.

Water Safety (IRB)

For this event the top fourteen clubs by competitor numbers will be outlined in the Final Circular and will be required to supply a fully equipped IRB for the duration of the Championships (Friday to Sunday) and must be fully operational. Defective craft will be rejected and the Club made to replace it before they compete. IRB's must be delivered to the IRB compound by no later than 4pm on Thursday 26th March 2020. Clubs that fail to comply with this request will result in their Club not competing for that duration of time that the Club takes to supply the IRB or find a replacement IRB if their own is deemed unseaworthy.

Also the top twenty clubs by competitor numbers will be required to supply current and proficient IRB Driver and Crew for shifts throughout the weekend. The names of Clubs that fail to have their members report for duties will result in that Club not competing for the duration of time that the Club was to supply personnel and the rest of the carnival if personnel is not supplied at all.

Following close of entries SLSQ will notify the top 14 and top 20 Clubs for their respective IRB & Personnel Shift Requirements. Clubs will need to supply the names of Qualified IRB driver's and Qualified IRB crewman's to SLSQ by Sunday 15th March 2020. A draft roster will be sent out on Tuesday 17th March 2020.

SLSQ will be monitoring the entries of clubs to ensure that the top twenty clubs at close of late entries are rostered on and changes to the IRB roster will be made accordingly.

First Aid

Surf Life saving Queensland will require 8 additional volunteer first aid personnel for the 2020 QLD Championships. If you have anyone interested in these roles please email Karen Degnian (kdegnian@lifesaving.com.au).

If we receive limited nominations will look at the top participating clubs to assist in this area.

11. DRESS OF COMPETITORS

In all events, competitors must wear the event hi visibility lycra provided as part of entry to the event. To promote competitor safety and assist with competitor identification, competitors and handlers entering the water beyond knee depth are required to wear approved hi vis as their top layer of clothing. Refusal to comply renders the clothing, competition apparel or equipment ineligible for the competition and the competitor and/or team would be ineligible for further participation in the event.

SLSQ staff, the Event Referee, Area Referee and/or Sectional Referee reserve the right to order the removal or covering of signage, ID, or logos in conflict with any event sponsors and/or the SLSA Competition Sponsorship Policy.

12. EVENT MEDALS, TROPHIES & POINTSCORE

SLSQ Championship medals will be awarded to individuals and team members gaining 1st (Gold), 2nd (Silver) or 3rd (Bronze) in all Championship events contested.

Overall Pointscore (1st, 2nd & 3rd) and Handicap Pointscore (1st, 2nd & 3rd) trophies for the top 3 clubs in each will be awarded at the conclusion of the event.

The point score awarded to each Champion Club, within each event's age category, will be 6 points for 1st place, down to 1 point for 6th place. If, when the event has concluded, there is a tied pointscore, the club with the most first places will be declared the winner. Failing this, the club with the most 2nd placings to 6th placings respectively will be taken into account to determine a winner, if it arises there is a tie and no way to separate dual trophies will be presented.

Note: International clubs (and/or non SLSA affiliated clubs) are not eligible to earn points towards the overall and handicap pointscores.

DEAD HEATS – Where a dead heat (as defined in the current edition of the Surf Sports Manual) occurs in the final of an event, the clubs of individuals/teams will share the placing points and medal relative to the finish placing. The club of the next individuals/teams to finish will receive the relative placing points based on the number of individuals/teams finishing ahead of them. For example: if two individuals finish equal 1st, both individuals/teams shall receive 6 points each and the gold medal. The next placing individual/team shall be awarded the 4 points and the bronze medal for coming 3rd.

INTERNATIONAL COMPETITOR MEDALS – If an international competitor (or club team) place (1st, 2nd or 3rd) in a Championship they will be awarded the medal equal to the placing gained.

However, the Australian competitor/s (or club team/s) who place will be awarded the QLD Championship Title/Placing and the equivalent medal.

13. OFFICIALS

All appointed officials will be required to be current accredited SLSA officials and be the holder of a current Blue Card. If an official would like to nominate for the event please follow the below link.

2020 QLD Championships – [Official Nominations](#)

Nominations must be received by Friday 28th February 2020.

It is imperative that the appearance of competition officials/judges is of a high standard, therefore appointed officials are asked to give a high degree of attention to their quality of uniform.

It is preferred that all officials wear the generic white and blue officials shirt.

14. TEAM MANAGERS

Each club must have a Team Manager complete the online [TEAM MANAGER DECLARATION LINK](#) before their club is eligible to compete at this event.

Team Managers must ensure they complete the above online Team Managers Declaration for this event by Friday 28th February 2020.

It is the Team Managers responsibility to ensure the changes to the Club's competing teams have been registered with the appropriate officials, and that all their competitors are correctly entered in the event.

It is compulsory for all Team Managers (in their official roles) to wear clearly identifiable apparel that highlights their club name and the wording 'Team Manager'. Anyone not displaying this ID will be asked to leave the competition area.

15. GEAR TRAILER/VEHICLE PARKING

Gear trailer parking will be located in the carpark off Mari Street.

All club, competitors and officials are to read and obey the parking signs set up by the Sunshine Coast Council and the Carnival Committee and any vehicles that are illegally parked that results in an infringement notice will be the responsibility of the vehicles owner, SLSQ will take no responsibility.

16. SCRUTINEERING

Scrutineering at this event will be conducted randomly throughout this event by appointed scrutineering officials.

17. MEDIA & PHOTOGRAPHY

Drones:

For the safety of competitors, officials and spectators SLSQ prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at this event by members and/or public unless approved by SLSQ, 7 days prior to the event. The operator must supply an operations manual (including risk management plan), provide a copy of public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements. SLSQ may utilise the use of our own drones to conduct aerial surveillance and monitor hazards.

Photography:

As a condition of entry, all competitors agree to have photos and video taken during the event used for promotional material by SLSQ.

Photographers within the carnival area must have a visible photographer's pass as well as their BlueCard. For the QLD Youth & Senior Championships we utilise Harvix for all our photography. Only event staff will be permitted with cameras inside the competition area for these two events.

18. HEALTH & WELLBEING

The welfare of all competitors and officials is of paramount importance and athletes or their Parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition SLSQ may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLSQ will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

19. ANTI-DOPING & MATCH FIXING

SLSQ affiliated with SLSA supports the Australian Government, the Australian Sports Commission, the Australian Olympic Committee, and the Australian Sports Anti-Doping Authority (ASADA) in their efforts to eradicate the use of drugs in sport.

It is strongly recommended that all Coaches and Team Managers complete the ASADA Level 1 Course as well as the Australian Governments Matching Fixing Course. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Links to the online platforms are below.
