As a sustainability focused surf club, we are proud to partner with Five Founders Beef. In April 2019, Five Founders met the Australian Government's rigorous criteria to be certified as the first supplier of carbon neutral beef. Their beef is produced exclusively from free-roaming cattle born & raised on the vast, fertile grasslands of the Queensland & NT Outback. It's beef as nature intended & our way of helping to fight climate change & farming for a greener future.
