

ADDING YOUR COVID-19 DIGITAL CERTIFICATE TO THE CHECK IN QLD APP

The updated version of the Check In QLD app allows you to check in and display your vaccination status at the same time.

You will need to:

- have had all required of an approved or recognised COVID-19 vaccine before you can add a digital certificate to the app
- make sure that you have the latest version of the app on your device

USING THE CHECK IN QLD APP

If you're using the Check In QLD mobile app:

- Make sure you've updated the Check In QLD app
- Open the app and open the menu from the top left hand side
- Select 'COVID-19 digital certificate' and tap 'add certificate' via myGov
- Log-in to your myGov account, scroll to 'Proof of COVID-19 vaccination' and then select 'Go to Medicare'
- Tap 'View history' and choose 'Share with check in app' and choose to share with Check In QLD
- Tap 'Accept and share', then 'Accept'

USING THE EXPRESS PLUS MEDICARE MOBILE APP

If you're using the Express Plus Medicare mobile app:

- Select 'Proof of vaccinations' from Services
- Select 'View history'
- Select your name, then 'Share with check in app'
- Choose an app to share your certificate with and select 'Share'

USING YOUR MEDICARE ONLINE ACCOUNT THROUGH MYGOV

If you're using your Medicare online account through myGov:

- Sign in to your myGov account using a browser on your device
- Select 'Medicare'
- Select 'View proof' in Proof of vaccinations
- Select 'View history'
- Select your name
- Select 'Share with check in app'
- Select 'Check In QLD' follow the prompts to add your certificate to your profile

Contact Services Australia if you need assistance to access your myGov account.
