President's Report

I am delighted to present the Annual Report for Palm Beach Surf Lifesaving Club. It is with great pleasure that I share the remarkable achievements and outstanding efforts of our dedicated members, volunteers, staff, and sponsors.

First and foremost, I am proud to announce again this year no lives were lost on our watch. This is testament to the unwavering commitment and selflessness of our lifesavers. Their tireless dedication and exceptional training have paid off, as they successfully carried out major rescues throughout the season, even when called away from the Club. Their courage and skill have undoubtedly saved lives and ensured the safety of beachgoers. With thanks to our training team for ensuring the high standard and skills of our lifesavers.

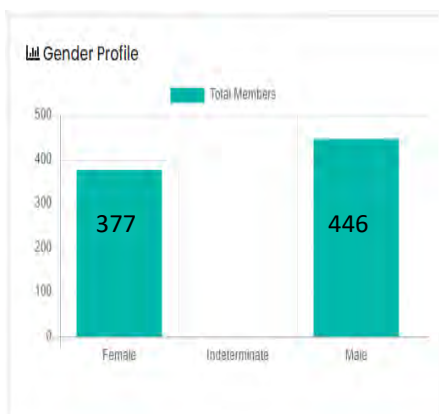

President, Mary Farrell

I would like to extend my heartfelt gratitude to our Board members for their strong strategic guidance and for their efforts in leading our Club towards formulating our 10-year plan in conjunction with the Supporters Club. The Operations Committee also deserves recognition for their unwavering commitment to service delivery, ensuring that our organisation operates smoothly and efficiently.

Our Nippers program had an outstanding season, exemplifying the vitality and strong sense of community within our Club. It brings immense joy to watch our young Nippers on the beach every Saturday morning, having fun while learning essential skills to keep themselves safe in the water. Their enthusiasm and dedication to learning is truly inspiring.

Our Youth Development Program has not only provided social activities for our young members but has also instilled in them a sense of responsibility and giving back to the community. It is heartening to see our youth actively involved in community initiatives and making a positive impact. An example being that many of our youth took on Age Manager and water safety roles for our Nippers this season.

Membership Category	20/21	21/22	22/23

Total Active	243	240	218	↘
Total Membership	822	816	823	↗

We have had a successful competitive season with outstanding performances from numerous Nippers, Seniors and Masters. These achievements would not have been possible without the diligent work of our coaches who have guided our athletes to reach their full potential. I extend my extra special thanks to all our volunteer coaches who have generously shared their time and expertise.

Thank you to our Palm Beach Supporters Club for their financial and administrative support - both have been instrumental in our accomplishments. I would also like to express our deep appreciation to our major sponsors, Usher and Cru Collective and all our supporters. We are immensely grateful for their partnerships and contributions.

To our hardworking and dedicated staff, I extend my sincere gratitude for their efforts. Their commitment and passion have played a vital role in the success of our organisation. Thank you for your important contributions.

Last but certainly not least, I want to acknowledge and commend our patrollers, the unsung heroes who tirelessly patrol our beaches ensuring the safety of the public. Your selflessness, dedication, and bravery are truly inspirational. We owe you a debt of gratitude for the invaluable service you provide.

In conclusion, I am immensely proud of the achievements and contributions of our members, volunteers, staff, sponsors, and patrollers. It is through your collective efforts that our Club continues to thrive and make a positive impact in our community. I look forward to another successful year ahead as we continue our mission to safeguard lives and promote beach safety.

Treasurer's Report

The 2022-23 Financial Year saw the Club return to normal operations for the first time in several years. The Club reported a much-improved financial result and continues to be in a strong financial position.

The ongoing support provided by our Supporters Club and valued partners has enabled us to continue to reach much improved levels of revenue whilst maintaining prudent levels of expenses. Once again we acknowledge and thank the Supporters Club for the invaluable contribution they make to the Surf Club each year. In addition to providing essential financial support that allows the Surf Club to operate, the Supporters Club plays an important role in maintaining our physical assets plus joins with us in sourcing and maintaining our major financial partners.

The financial performance of the Supporters Club has enabled us to pay a significant amount off the bank loan well ahead of schedule. Both the Surf Club and Supporters Club are committed to further reducing our current loan on an accelerated schedule. This further strengthens our financial position and provides a strong base for the future of both Clubs.

We are grateful to our sponsors who continue to provide valuable financial support that allows us to maintain our Club facilities and investment in essential equipment, thank you.

As this is my first Treasurer's report with Palm Beach Surf Life Saving Club. I would like to acknowledge and thank the members and committees of both Clubs welcoming me. Palmy is a great Club to be a part of!

I would also wish to acknowledge my predecessor, David Collins, for his assistance during my transition to the position and thank him for his contributions to the Club over the previous five years.

I refer members to the financial report section of the annual report for a more detailed understanding of the Club's financial performance over the past financial year.

Treasurer, Scott Lyall

Club Captain's Report

Well, it's been another big year and we have plenty to celebrate. In my first full year as Club Captain, I am continually reminded about what it is that makes Palmy the place it is for all of us. We continue to grow and develop as a Club and live the values that have set us up to succeed now and into the future.

We respect and acknowledge our past, the people, the place and our property.

We are united, welcoming and friendly to our existing members and any newcomers that are willing to be part of Palmy, and who also have a purpose to build on what we have.

Through our leadership we set the standard for others to follow, and encourage involvement for all of us, to continue to stay united, in keeping Palmy what it has become.

These values have as always been demonstrated on many fronts, but for me, this year it has been as community members, we have lived what we have been taught, and or learned, from being part of Palmy and the greater Surf Life Saving community.

There have been great examples of this throughout the season and in some cases, not even on our own beach. Some of our younger members responsible for physically saving lives, and although there are probably many examples that we are not aware of, I would like to highlight a few including the efforts of Charlotte Sutch who was able to assist somebody back to the beach on an unpatrolled beach in Northern New South Wales.

There is another example of 15 year olds, Kai Agyik and Grace Pooley who again saved the life of a swimmer who had experienced a medical condition whilst in the surf at Tallebudgera. The gentleman was met by paramedics once the two youngsters and another member of the public assisted him back to the beach. Following a short hospital stay, the man declared "they saved my life".

Finally, another example is of a very humble member who does not want to be identified publicly. A member who set out on a regular jog around the Palmy area only to come across a man who had collapsed on a boardwalk near Currumbin Creek and who was being attended by a friend who unfortunately did not have any experience in first aid or lifesaving. For our member, it was second nature to administer CPR while other onlookers spoke with emergency services on the phone and talked the paramedics to his location. In our members' words in speaking with him about an hour after his experience he "remembered looking at the patient thinking that the colour and look of his face was as it had been described in the training, however he was not prepared for that [in conducting CPR compressions] he had crushed his chest". For this member - and the thing that struck me after what he had done - almost instinctively, he had come straight to the beach to seek comfort and to debrief with his fellow members.

These examples are no more important than any others in explaining the essence of what the movement is all about. By its own description, we are here to save lives. To develop our young people and equip all of our members with the skills and knowledge they need to do what is necessary to maintain that number one aim. As members of not only Palmy and Surf Life Saving but also the wider community as a whole, we strive to maintain this aim.

If we take nothing else from what we learn at Palmy, can it be that we continue to seek more opportunities to learn all aspects of surf lifesaving, whatever it may be.

If you are a nipper parent, please ask about what you can learn and be prepared to be on the beach with your child or children and for what we ultimately aim for them to be: Lifesavers. It is your opportunity to be involved as well, so take it and savour it when you can do it with your young adults.

Club Captain, Greg Clark

Club Captain's Report

For those of you who already have the SRC, the Bronze, the Tractor Drivers' award, the SSV drivers' award, then look for more... Put your hand up to upskill as an IRB Crewie, get your IRB Drivers award and once you feel you have become comfortable in what you know, ask for more. Become a Silver Medallion holder to be ready to take over from the people who will eventually pass on the mantle.

This movement has been on our beaches for over 100 years and as members of it, we are only a small blip on the timeline, so please become involved. Ask for more, learn more and help lighten the load for all members. Remember that this Club will hopefully be here for another 90+ years, so let's pass on what we have inherited from those members of the past, in greater condition than what we have right now. This will be even more important as Palmy becomes a destination of choice, not only for a holiday but also for a preferred destination to live. As we see it grow, we must grow with it to maintain the safe place it has been.

Thank you to each and every active member, no matter what your contribution: it is acknowledged and appreciated.

- If you are patrolling on the beach,
- If you are on the beach on Saturday with Nippers,
- If you are a parent who organises a carnival for them to compete in,
- If you are an Official that helps maintain the integrity of the carnival,
- If you are an SRC holder and assist with Water Safety on Saturday morning or at a carnival,
- If you are an Age Manager that loves developing young people and teaching them new things,
- If you are young person that helps out as an Assistant Age Manager because you love being on the beach and giving back after what you have learned,
- If you are on a Committee developing a strategic plan, and/or
- If you are Youth Development Officer engaging with or encouraging our youth to stay in the Club.

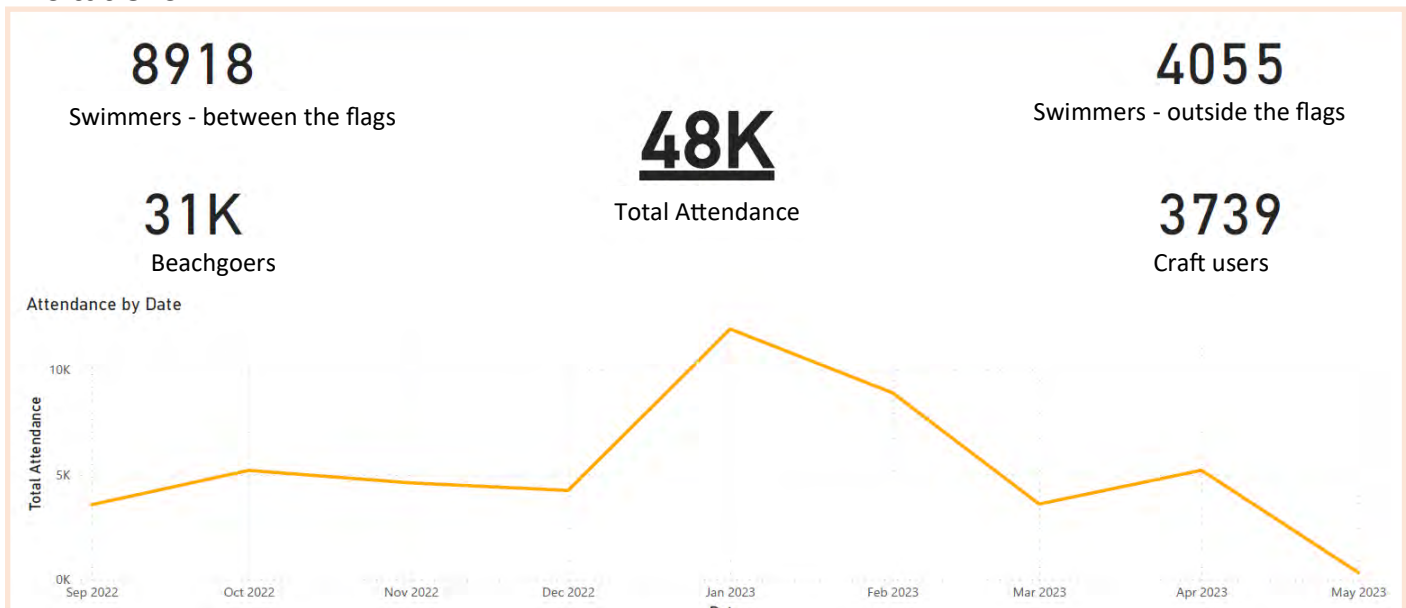

Thank you all!!!

Greg Clark
Club Captain

Education Report

We extend our congratulations to all our members who achieved awards this season and commend their willingness to continue learning and gaining new skills for their personal and community benefit. Our returning and new members have successfully maintained the high level of safety that the public is accustomed to on our beach.

In a challenging season where administrative requirements only seemed to increase, our volunteer trainers stepped up to deliver a wide range of courses to upskill our patrols and Nipper parents.

These included:

- Four Bronze Medallion courses with a total of 47 new lifesavers (some pictured above)
- Two Surf Rescue Certificate courses with 17 graduates
- 21 Inflatable Rescue Boat (IRB) crewies, including 11 from our youth development program
- Four new IRB drivers to bolster our patrols
- 67 members who completed First Aid
- 23 members who updated their Advanced Resuscitation skills (ART)
- Two members who obtained their Silver Medallion Aquatic Rescue through SLS NSW

Five Skills Maintenance sessions were held from August to December to ensure our lifesavers skills were in good shape. We highly encourage members to attend proficiency sessions earlier in the season to spread the load on our trainers and ensure that the last session held is manageable. A number of members missed the December 31st cut-off as they couldn't make the last session (which proved to be quite the challenging conditions!).

Mid-season, we congratulated our Chief Training Officer Donna Riley on her new Principal's post in Gunnedah, NSW. With Donna unable to deliver courses in person, Palm Beach stalwart Richard Andrews stepped in as lead trainer to ensure our members could still upskill. We extend our thanks to Richard and our other trainers Codey Trethewey, Matt Barber, Sam Morgan, Clayton Kimeklis and Zelda Jennings for their assistance.

We also want to thank Colin Harvey, Andrew Gault, Nick Perugino and Codey Trethewey for undertaking training to deliver Tractor and SSV operator courses. Another 11 more SSV and seven Tractor operators were trained up during the second half of our season. We also thank our IRB drivers for supporting our IRB courses, without whom we could not train our new award holders.

The increased workloads put on our training officers with administrative paperwork is noticed and their time highly appreciated. It also doesn't go unnoticed the amount of training that is required of members and the time and sometimes complexity involved in completing training. SLSQ are aware of the challenges and have advised Club Presidents they will be working on some improvements to education processes for trainers and members over the coming months. We look forward to working through these with them.

Finally, we are always seeking more trainers to alleviate the workload on our current trainers and to take over the mantle in the future. If you are a skilled presenter or teacher or know any educators who would might like to train volunteer lifesavers, please get in touch.

BRANCH MASTERS

ATHLETE OF THE YEAR

Louise Ruff

Surf Sport Officer's Report

The 2022/23 season is a year to celebrate with our Surf Sports community growing in diversity and ability.

We kicked the season off with the retention of last season's coaches Ky Hurst, Mick Herden and Colleen Te Heu Heu Tukino (Coach Wal) in our beach and water coaching team. This team have proven to be a strong part of our Club and display our Club values throughout their sessions. We also had the addition of Ben Cox becoming a paid Nippers coach to work alongside Ky in the water and also on the beach each Saturday at Nippers. Together with the assistance of our volunteer coaches Alex, Lou and Jack, we have created a well rounded approach to achieving excellence on both the beach and in the water.

Surf Sports Officer, Louise Ruff

Our Nipper numbers on the beach have grown, along with the number of competitors at carnivals. We had a condensed and busy season, with Coach Wal, JAC Josh and Leesa and Bonny— our carnival coordinators—banding together to deliver a warm and friendly environment for our Nippers community to thrive.

Our Cadets stepped out of their comfort zone participating in water safety and working with Age Managers to assist and develop growth within our Club members.

The Senior training group have gone from strength to strength with numbers increasing in our Opens, putting together teams in the U17 water events and even in the Open category, with some of our younger and slightly older members putting their hand up for all to race in the 'blue and white'.

A few of our Masters medals from States

Our Masters cohort dropped off in numbers during the season but managed to come together for a shot at excellence at States, with Palmy placing 5th Club overall. A tremendous effort. With Aussies held in Perth this season, we didn't manage to get a team to go West in the Seniors and Masters, but we were thrilled with the results achieved by our two youth participants, Kai and Minka, who in Beach sprints and flags both made finals. We look forward to a strong showing across all age groups at Championship events next season with States, Aussies and Worlds all being held in Queensland. Results from all carnivals can be found over subsequent pages.

Moving forward, we are looking to provide training sessions for all Club members, from Nippers through to patrolling members, developing skills, confidence and excellence to keep our beaches safe, engaged and fun.

Go Team Palmy.

Louise Ruff
Surf Sport Officer

Minka Te Heu Heu Tukino and Kai Agyik at Aussies

Youth Development Report

After coming off a high from the end of last season where we took out Runners up for the 2021-2022 Gold Coast Youth Development Club of the Year, we set our sights on building on what we had already established and welcomed the opportunity to grow and develop our Youth Development Program further.

First on our agenda was to ensure that our previous year's cohort were booked into the Treetops Challenge which was postponed due to harsh weather last season. Mount Tamborine's Treetops Challenge is Australia's largest High Ropes Adventure Park and boy can we tell you it was high! Some of us, Clayton in particular, were pushed to the limit and discovered a new fear of heights. Our youth were amazing with the support and encouragement they showed each other. This was a wonderful team building activity for our youth and provided the opportunity to strengthen the unity within our cohort whilst having fun.

**Youth Development Coordinators
Yasmina & Clayton Kimeklis**

Next up was a new educational adventure and a first time outing to visit the Westpac Helicopter Base at Carrara to see the chopper up close and learn about the extended opportunities and services within the Surf Lifesaving movement. The feedback received from those in attendance was that it was COOL, interactive, and informative. Our youth then had the opportunity to cast their vote as to who they would like to see take part in the rescue demonstration that was to follow at Palmy. It was a close vote but Yaz pipped our very own JAC Josh Sealey and was the lucky winner!

The kids clearly knew that Yaz had a fear of heights so thought they would test her limits by voting her in. After a few false starts due to poor weather and bad surf conditions, the helicopter was finally able to perform the demonstration on a Nippers Saturday Morning. There were squeals galore from our little U6 Red Caps and our parents, Nippers and youth all equally enjoyed the opportunity to witness firsthand a rescue demonstration. This also offered our Club members another educational tool and some great discussions around the helicopter and how the crew work with our patrolling members to look after the safety of our community.

This season, we saw many of our youth commit to the protection and safety of our community members by attending the Surf Rescue Certificate (SRC) camp and others obtaining their Bronze Medallion. Congratulations to all our youth who obtained these awards and skills. Special mention to our Junior Club Captains Rose Cooper and Villie Leighton-Wright and Vice Captains Tully Jenkins and Hayden Sutch who were voted in during the U14's SRC Camp. You are all fine leaders who demonstrate the values of Palm Beach SLSC - Respect, Unity, Inclusive and Involvement

December quickly arrived with Santa and his Elf returning to our beloved Palmy to distribute lollies to our Nippers. Once again our youth stepped up and leant a helping hand with the younger Nippers, leading the way to assist with age group photos and ensuring our Nippers could get their photos with Santa and his Elf too.

In February the Youth Development Program set their sights on fundraising and held a Valentines Day Raffle with some amazing prizes thanks to donations from local businesses Pinot and Picasso Palm Beach, Be Naturally You Palm Beach, HOTA, Jeffersons and our very own Supporters Club. Phoning the winning ticket holders was certainly a highlight and they were all incredibly happy!

Youth Development Report cont.

Happiness continued as the youth headed to Aqua Splash at the Broadwater for another team building experience. Obstacles were tackled with grit and determination plus a lot of squeals and laughter. Once again, our Palmy Youth represented our Club in the community with pride and upheld our Club values. It has been a privilege to take these young people on outings; they make us proud to be associated with them and our Club.

Our final focus was to choose a charity to support for the Nippers presentation. The chosen charity was Rosies Friends on the Street who assist the homeless and socially isolated in our community. After speaking with Michelle Lavin, Burleigh's Branch coordinator, we established what was needed and how we could help. Michelle spoke with our members of the challenges faced by homeless and at-risk individuals within our community, and how basic hospitality and a simple chat can make a difference. Our Club put a call-out to our Nipper families for donations to be brought to the end of season presentation. It was with immense pride that our youth presented over 10 overflowing boxes of donations to Rosies. It was a proud moment and highlighted the strength of our Club when we unite for a cause.

As well as participating in our Youth Program, our members also participated in carnivals and well as helping and Nippers and patrolling. Three of our youth were also commended for their bravery and exceptional lifesaving skills conducting rescues outside of patrol. Special mention must be made to Charlotte Sutch, Grace Pooley and Kai Agyik for their incredible rescues! Our whole Club is extremely proud of you and the skills you have learnt and displayed this season. Our Aim as Youth Development Leaders is to inspire our youth to stay within the surf lifesaving movement. To provide a place of acceptance and belonging, a place where everyone is valued. A place where our youth is heard and represented. We hope to ignite a passion for the surf lifesaving movement and retain as many of these awesome young people as possible.

We feel we are on the right path, and this was evident this season with just how much help our youth provided to our younger Nippers. Many took on roles of Assistant Age Managers and others took to the water as part of the Water Safety Crew. We are so proud of each of them that they came down each Saturday to give back to the Nippers and provide support, encouragement and give them someone to look up to and aspire to be like. The perfect role models maintaining connections between the Young Nippers program and the Youth Development program.

The future is certainly bright for our awesome Club, and we are excited to see what next season brings!

Youth of the Month

Each month this season, our Club awarded a *Youth of the Month*. Our winners were presented with a limited edition 'YOTM' cap and certificate, and nominations sent to Branch to vie for the overall Point Danger Branch Youth of the Month award. Congratulations to all our award winners and a sincere thank you for your contributions to our Club and for upholding our Club Values.

Yasmina, Charlotte, Grace and Kai were also recognised at Branch level, where they received a gift voucher: Yasmina for being a wonderful mentor and leader of our youth, and Charlotte, Grace and Kai for their bravery, calm demeanours under pressure and skills when they conducted rescues outside of patrol hours. Read more about their rescues in our Club Captain's report.

Congratulations to all our winners!

October:
Isaac Allport

November:
Rose Cooper

December:
Yasmina Kimeklis

January:
Charlotte Sutch

February:
Jack Carroll

March:
Grace Pooley & Kai Agyik

April:
Ruby Neeson

A Surf Club Wedding!

Our Club was thrilled to be able to celebrate a love match this season with our two Youth Development Officers, Yasmina and Clayton, getting married on 6 May 2023 in Andy Frizzell Park (the weekend after patrol season ended!)

Yasmina and Clayton are wonderful role models and mentor and lead our youth, patrol together and even got engaged on patrol. Their wedding by the beach at Palmy was just beautiful.

Palm Beach SLSC would like to wish Yasmina and Clayton all the very best for a long and happy future together. ♥♥

Junior Activities Report

I want to personally thank all the volunteers that helped in every session, in every way, on every morning throughout our season. Our Club cannot operate without a FULL LIST of amazing volunteers to help serve all our Nipper age groups. EVERY one that committed to a role this season are so valuable to what we're trying to do for our Palmy Family!! Our volunteers are amazing!!!

Our Junior Committee volunteers for this season were:

Age Managers:

U6: Ava Fox, Jason Hvass, Khushinka Khanna, Jaime Hurley, Nick Martin
U7: Ryan Ellis, Kerry Filliol, Kane Merrett, Dan McCafferty, Lexi Skelley
U8: Emily Carroll, Ray Blane, Danielle Stebbins, Scott Duffy
U9: Greg Clark, Steve Duhig, Erin Maxted, Holland Robinson
U10: Julian Norton-Smith, Bonny Farrell, Gerard Sams, Scott Murphy, Frankie Jackson, Charlotte Cooper
U11: Yasmina Kimeklis, Codey Trethewey, Anise Webb, Charlotte Sutch
U12: Jeff Baxter, Christie Fox, Michelle Allport, Isaac Allport
U13: Jack Carroll, Greg Pooley
U14: Deon Pache, Luke Fraser, Erin Cooper
U15: Russell Francis, Nicole Devlin

**Junior Activities Chair,
Josh Sealey**

Junior Committee:

Set Up Coordinator: Laura Griffiths, Leesa Monaghan, Ben Tidey
Fundraising Coordinator: Katrina Armes
Team Managers: Colleen Te Heu Heu Tukino, Phil Campbell
Carnival Coordinators: Leesa Monaghan, Bonny Farrell
Water Safety Coordinator: Clayton Kimeklis, Bayden Skelley
Junior Gear Steward/Transport: Gareth Sutch, Matt Lynch
Junior Secretary/Registrar: Yasmina Kimeklis, Leesa Monaghan
Deputy JAC: Julian Norton-Smith, Bayden Skelley

Thanks to our Nipper Coaches: Ben Cox, Ky Hurst, Colleen Te Heu Heu Tukino, Louise Ruff and Jenny Rees.

EVERY adult Palmy volunteer is super amazing because they are giving their own time and energy to our Club, and I want to make special mention of Leesa Monaghan and Ben Tidey for the amazing amount of time these two put into so many areas for our Nipper Club. They are next level!!!

We also want to thank our amazing water safety team that helped in every session this season. These are the parents, older siblings and older Nippers that have completed their SRC or Bronze Medallion course that make our water activities safe for our Nippers. They're the ones swimming out with our Nippers, helping on boards and being in the water for the wades. These guys are the BEST!!!! Let's keep up-skilling and building our parent Water Safety team for the next few seasons.

Our goal was to make sure every Nipper and all families enjoyed their Saturday mornings together building friendships and confidence in the ocean.

Our season had heaps of fun and enjoyable moments, some down moments in the weather, some amazing competitive moments, and overall, a memorable season.

Junior Activities Report cont'd

Some of our season highlights included:

- Weekly Saturday Sessions
- SRC camp
- Nipper training sessions
- Palmy parents upskilling to help volunteer
- Youth Development excursions
- Raffles in the Supporters Club
- Pirate Park Creek Sessions
- Westpac Helicopter Visit
- Christmas Nippers Session
- Junior Carnivals
- Branch Carnivals
- Australia Day Surf Comp
- State Championships at Mooloolaba SLSC
- Nipper End of Season Presentation

Planning has already started for our next season, and we're super excited about spending another amazing Nippers season together again. We hope all our Nipper families love being involved in our Palmy Surf Club, our Nipper program and are proud to be a part of our Palmy Family!!! Getting more parent helpers involved next season is our next aim—where will you be involved ?? Start telling your mates and start getting keen!!!

LOVE OUR PALMY FAMILY!!!

Yee Haa

Josh Sealey
Junior Activities Chair

Congratulations to **Kai Harvey** for an exceptional season.

Kai took out U13 Age Champion for Point Danger Branch as well as our Club's Distinguished Individual Achievement in Surf Sports trophy at our Annual Dinner.

"It's a ripper to be a Nipper"

It was with sadness in early March 2023 that Clubs across Point Danger Branch and Surf Life Saving in general farewelled one of our absolute legends in Ray 'Freddy' Fien.

Our thoughts and prayers went out to the Fien family and all Freddy's friends and loved ones following his sudden passing.

A minute silence was held at the water edge by Clubs along the coast in tribute to this larger than life surf lifesaving and Nippers legend who will be dearly missed.

Grants Report

We are pleased to report that we secured \$63,070 in grant funding this season through our submission of grant applications at local, state and federal level as well as within the private sector.

Grants assist our Club in funding key projects and equipment purchases that align with our Club's needs whilst meeting the criteria of each grant program. While we were unsuccessful in applications to upgrade our gym equipment and add solar panels to our building, we will continue to source avenues to make these improvements.

Grant success last season enabled our Club to upgrade our training room cabinetry and technology, procure a new IRB trailer, 4 rescue boards, 10 rescue tubes, 2 swim fins, a radio charging station, upgrade our CPR mannikins and buy a new marquee for Nippers. Funds have also been spent in supporting our volunteers to attend training courses, and tickets to the SLSQ conference – a key information sharing tool for our volunteer leaders.

With the success of this season's grant applications, projects and equipment that we will now be able to acquire over the off-season include:

- a new Patrol Arena/Trailer
- a replacement SSV
- renovations to mitigate mould damage in our former Club office (providing further storage for our training equipment)
- a fully equipped Search and Rescue Kit
- two marquees for Nippers (plus an additional marquee for Patrol with funds saved)
- a replacement whiteboard and lectern for our trainers
- an IRB motor

We will continue to seek out grant opportunities to support our Club's growth and development. However, if any of our members hear of a grant we could apply for, please share details with our Club office.

With sincere thanks to the following entities for their support and funding this season:

- | | |
|------------------------------------------|------------------------------|
| • Australian Government | • Surf Life Saving Australia |
| • Queensland Government | • City of Gold Coast |
| • Queensland Fire and Emergency Services | • Bendigo Bank |

Life Member Inductee: Gary Fraser

Gary Fraser joined Palm Beach SLSC in 1982 and was a competitor Nipper in his youth, becoming a successful competitor at all levels of surf lifesaving, including at Australian championships.

In 1983 Gary obtained his Bronze Medallion award and went on to patrol as a lifesaver at both Palm Beach and Tweed Heads & Currumbin (TH&C).

After starting a family with wife Regan, Gary brought his own Nippers into the Club, becoming an Age Manager in 2010. In 2013/14, Gary took on the Junior Chairperson role and lead our Club's Nipper program for five seasons. Gary also volunteered as an Official for many years.

Gary was involved in extensive renovations to the Club in 2018/2019, contributing to significant improvements to facilities for members. Gary stepped down from the Junior Activities role in July 2018 to take on the role of President of the Supporters Club, continuing his community service to Palm Beach. In Gary's second season in the role, the COVID pandemic added some challenges to what was an eventful year for our surf Club as a whole.

Gary continued as Supporters Club President for four years, until June 2022, where he was inducted as a Life Member at his final AGM.

Gary was presented with his Life Membership pin on March 4 2023 in front of our 2022/23 season Palm Beach Nippers and his award celebrated afterwards with fellow Life Members and members in our Supporters Club.

Congratulations and thank you to Gary for his years of service to Palm Beach (Qld) Surf Life Saving Club.

Gary Fraser (centre seated) with fellow Life Members, Board and committee members in March 2023

Annual Award Winners

Our Club Annual Dinner and Awards Night was held on Saturday 13 May 2023. The event was a fun-filled evening where we celebrated our Palmy stars and recognised our dedicated members and volunteers for their contributions in making our Club the best it can be. Congratulations to all our amazing volunteers and award winners. Our MCs, Director Greg Cox and JAC Josh Sealey, did an excellent job guiding the guests through the night, ensuring that everyone had a merry time. We were proud to present one of our Life Members, Warren 'Wassie' Johnson, with his 40 Year SLSA Recognition, although his service extends closer to 50 years.

Cooper Schmarr

Michael Hart MP Encouragement Award for Most Improved Cadet/Junior

Raymond Blane

McPherson Community Award Recipients

The McPherson Community Achiever Awards recognise the amazing work done by local residents in a variety of ways, including with local charities, sporting Clubs, service organisations, community groups and other voluntary activities. Our Club was proud to nominate and recognise the following members for their volunteering efforts this season. With sincere thanks to Karen Andrews MP for this annual recognition of volunteers, and for her ongoing support of our Club.

Congratulations to our McPherson Community Service Award winners

Leesa Monaghan
Josh Sealey

Colin Harvey
Jack Carroll

Our Club has sadly farewelled four of our long serving members and Life Members this season.

- Mr Leo Anisimoff, Life Governor
- Mr Gordon Shears, Life Member
- Mr Barry 'Basil' Jukes, Life Member
- Mr Ian 'Joey' Cowper, Life Member

With thanks to Life Member Daniel Stewart OAM for composing the following tributes.

Mr Leo Anisimoff

14 October 1927 - 30 June 2022

In June 2022 we lost our oldest surviving member, Leo Anisimoff, whose long standing record of service to Palm Beach Qld and to Point Danger Branch as a representative of our Club (and including service to his Country) probably should have earned him Life Membership some time ago. Unfortunately, at the time, Life Members under the Constitution had to be nominated through other members and this never occurred. In recent years an attempt to recognise his efforts was made by bestowing an Honorary Life Governorship on him.

Leo was meticulous in whatever he did and kept scrapbooks, photo albums, news items and other memorabilia related to his service. Together with his loving wife Anna, Leo also developed a Tugun supermarket and post office, making some lifelong friends along the way – themselves legends in the community, like the Neumanns, Sawtells, Georgie Stone, Comadiras, Frizzells and too many others to mention.

In one of Anna's quotes: "Leo and me: we were one...body and soul".

The Anisimoff's not only assisted Palm Beach SLSC but also the general community including Currumbin Vikings SLSC.

Leo's service record includes: After the War in 1945 he joined Palm Beach as an Active Senior. Leo was a First stroke in the legendary boat crew of Blondie Gray 46-49 culminating in Palm Beach's first ever Queensland Senior Boat Title. Leo gained his Instructor's Certificate in 1950 was number one Member of the Branch Board of Examiners. In 1952-53, he undertook Registrar and Radio Officer duties as well as Branch Delegate. Leo was responsible for retraining all members in the "new Holger Nielsen" resuscitation technique replacing Sylvester Broche. In 1954 Leo took on several roles including Club radio officer, Branch delegate, Assistant Secretary and official examiner, as well as Point Danger Secretary. As an Active Reserve, Leo officiated in many carnivals including Aussies in 1955. Leo was responsible for the effective training of our members for their Bronze Medallions as well as members from other Clubs through all the years from 1950 to 1960, and worked as a carnival judge at all levels - mainly in boat arenas.

Leo and Anna always enjoyed the company of good friends and especially the "May Day Dinner" now the Annual Dinner.

A great couple and a sad loss of one great citizen and our esteemed member.

Leo is survived by his wife Anna, with whom he recently celebrated 65 years marriage, and was 95 years young.

R.I.P. Leo

Mr Gordon Shears

27 December 1951 - 15 August 2022

Gordon Shears was a long lasting “Eveready Battery” of the Club. Gordon was involved in practically every side of the Club from administration to patrol and competing. Having joined Palm Beach in 1979 from a Sydney based career in surf lifesaving, Gordon powered on until his central controller failed and delivered the gradual stages of Dementia to a relatively young, fit and aware man. Throughout his journey, Gordon’s family (wife Jenny , daughter Naomi and her husband Kenny), along with lifelong friend and paddling co-partner “Bucky” Landers and past members like Gary Thomas, showed Gordon unwavering support which aided in his transition.

The difficult thing in summarising Gordon’s membership is trying to include all his active roles. For 40 years he served on the beach, finishing his patrols with the Warwick Boys. He held almost every position in the Club including President (3 years), Supporters Club Committee member, Club Captain and Vice Captain, Gear Steward, board and ski captain, first aid officer, IRB captain, radio officer, treasurer and secretary. Such a long history of always being there when needed and a history of dedicated service.

Gordon’s knowledge of the printing industry saw him head up the annual calendar fundraiser for 20 years, design the latest Club logo, reprint some of the historical memorabilia of the Club and edit and print the 75th Anniversary book. Gordon also collated and produced the Annual Report for 15 years. Gordon willingly volunteered in other Club fundraising initiatives and promotions and one of his many initiatives also introduced Grant, a member of the legendary Baldock SLS family, to train an R and R team to gain what is the only Aussie medal the Club has ever won in this event. Gordon’s daughter Naomi was part of the winning team.

Gordon’s weapons in competition were his beloved ski and paddle and a resolute drive, winning many well credentialed events over 35 years, and leading to he and “Bucky” Landers earning a gold medal win in Master’s at Australian Titles. A little known fact is that he also rowed for the Club in 1981 at the World Life Saving Titles in Kuta. Gordon’s love of Bali and long association with Made Suparka— president of Life Saving Indonesia at the time - along with a liking for a *Bintang* in “Wayans Bar”, will see the Shears’ family spread some of Gordon’s ashes in his second country of welcome.

How do you summarise the life of a great contributor to our community and society.

Rest in peace, Gordon.

Mr Barry 'Basil' Jukes

18 January 1937 - 10 September 2022

After a battle with Dementia in his latter years, Basil passed away in September of 2022 at the age of 85. His friends and family were saddened by the decline of a man with such a sharp mind and unbelievable memory.

Not many can boast the degree of involvement he had in his Club. Since joining in the 1950's, except for transfers with work and other business matters, Basil remained an active and involved member throughout his continued service since joining. All this through a varied and interesting career and raising four children. Basil also enjoyed fishing and shooting, once demonstrating his skills by putting a bullet hole through a matchbox thrown into the air.

Basil's history dates back to firing up his beloved Ford Zephyr to commute from Cunnamulla to the Club; a trip he probably still holds the land speed record for. Basil was Club Captain by 1961 and his love of surfboat sports had him sweeping 2 crews. As a very capable sweep, he and his crew of seniors were selected in 1964 to represent Queensland in the Australian Titles. The same year, Basil married Robin and they began their family planning— four kids, then grandkids. Basil found essential time for everything.

Around about this time Basil was transferred to Rockhampton where he gained reciprocal membership and swept the boat crew at Yeppoon SLSC.

In 1971 he was awarded Life Membership of Palm Beach Qld SLSC and continued to deliver great results in the boats as well as tutoring younger sweeps who helped handle the several crews rowing in that era. He was also Secretary in 1972 and 73, Vice President in 1975.

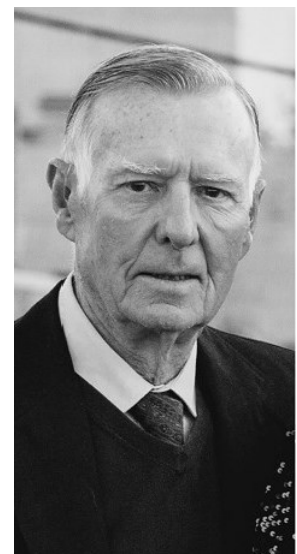

Clubs had to source their own funds and Basil drove across the city weekly to Springwood and other venues to manage and conduct Bingo sessions, as well as being skilled at finding sponsors and contributors. When House to House collections were a means of gaining funds, the collections were often run through his home. Short of collectors one year, his daughter Kerry, a teacher, organised the assistance of school students.

At the design planning stage of the "new" Clubhouse, Basil owned a quarry business and in 1997 generously contributed to the huge rock walls required to meet specifications—personally supervising and managing its construction. His interest also had him seek election on the Supporters Club Committee up to 1999, helping that Committee to steer the Club through some troubled times and reducing the burden of a large loan very efficiently. Basil also played a prominent role in organising and promoting the Club's 75th Anniversary activities.

Basil's love of boats never waned and he helped initiate "The Fossil Project" as well as gaining donations for new boats, gear and trailers along the way. He continued to support his Club at Committee meetings up until he was unable to.

A great man, a great member and a lifelong supporter. He'll be somewhere telling them about his surf skills and the size of waves he and his crews regularly conquered in the days when a Carnival was rarely ever cancelled due to big seas.

R.I.P. Basil

Mr Ian 'Joey' Cowper

18 February 1943 - 17 March 2023

After a period of declining health, our friend Ian, nicknamed Joey, had a fall outside his unit at Tweed Heads which eventually took his life - a life full of ups and downs and many adventures. Married and father of two children, Joanne and Paul, Joey also shared a special bond with his brother Bruce and nephew Daniel; also a long term member.

Joey joined Palm Beach in 1964 and fitted in well, enjoying the mateship and support of fellow members throughout his long association with the Club.

Joey wasn't long in adopting a variety of administrative and training volunteer roles. In 1965 he was Secretary, Vice Captain in seasons 1992-1996, Treasurer in 2001-2003, as well as First Aid Officer and trainer in interim years. His service, involvement in all aspects of the Club - including the all-important fundraising - saw Joey awarded his Life Membership in 1996. He remained involved through Past Members gatherings up to his death.

As well as completing his administrative duties, Joey was a good Club competitor in Surf Sports. His specialties were paddle board and swim events as well as teams. He medalled many times including in State Masters Titles in the board rescue event. Each Christmas he joined the members completing the Currumbin Rock to Club Boxing Day swim.

After a period living in New Guinea and time spent in Tasmania, Joey acquired property in Palm Beach and spent a lot of his life locally, eventually moving to Tweed Heads. On the Coast, he gained his pilot's licence. He looked so spivvy going to work in his uniform as a pilot instructor at Coolangatta Airport. Joey's spare time was spent surfing and he adopted the nickname Joey Cabell (a noted professional) for some of his pursuits. Joey also had an interest in cars and bikes and for many years owned vintage MG sports cars. In his later years, his great friend "Zorro" (Ian Sarow) talked Joey into joining the Men's Shed group. Over the years his growing belief in Christianity saw him playing the drums in church services and the Church also provided him with a set of beliefs which always seemed to keep him cheery in all situations.

He never forgot his Club and those who knew him will never forget the times we had and a great Club Man.

R.I.P. Joey

Sponsors and Supporters

We were pleased to welcome back many of our sponsors and supporters in 2022/23 as well as invite some new supporters to join our Palmy Family.

We were pleased that **Cru Collective** and **Usher Group** returned as Gold Sponsors. Cru provided financial support to help keep our lifesavers stocked with patrol equipment and uniforms on our beach, while Usher gave our building a makeover and refresh with a mid-year paint job. With thanks also to **Dulux** and their Surf Club Project for supplying over 120 litres of paint free of charge to aid in this task.

Larissa and team at **GG Enviro** once again returned to educate and entertain our families visiting our Supporters Club with fun and educational activity packs, while also assisting our Club in developing a Sustainability Strategic Plan.

New to our Silver sponsors were **BMG Cabinets & Joinery** with Brett and team undertaking some maintenance to our Jefferson's Café and Supporters Club. **Next Payments**, suppliers of our cash counting machine—nicknamed Bertha—also joined our team offering discounted fees to show their support for our great community Club.

The support provided by our Bronze supporters in **GSW Cleaning**, **Diverse Airconditioning**, **Quirke Electrical**, **Currumbin Picture Framing**, and **Dan Stewart OAM** for his annual bursary, is also extremely appreciated. Thank you to these businesses and individuals for showing faith and support in our Club.

Last but by no means least, a huge thank you to our **Palm Beach Surf Club Supporters Club** which continues to operate to great success and provide the largest support to our Club. Having a profitable and successful Supporters Club means our Surf Life Saving Club volunteers and staff can focus on what is most important—ensuring we continue to keep our community safe on our beach.

Finally, we also wish to thank all levels of government for continuing to support surf lifesaving as well as Point Danger Branch, SLSQ and SLISA.

Thank you to our sponsors & supporters!

NOTICE OF ANNUAL GENERAL MEETING

PALM BEACH (QLD) SURF LIFE SAVING SUPPORTERS CLUB Inc.

Notice is hereby given of the Annual General Meeting of Palm Beach (Qld) Surf Life Saving Supporters Club Inc.

WHERE: Palm Beach (Qld) SLSC Inc, 117 Jefferson Lane – Restaurant

WHEN: Sunday 25th June, 2023

TIME: 8.30am

The business to be conducted is as follows

- a) the receiving of the Management Committee's report and the Statement of Income and Expenditure, Assets and Liabilities and Mortgages, charges and securities affecting the property of the Association for the preceding year.
- b) The receiving of the Auditors Report upon the books and accounts for the preceding financial year.
- c) The Election of members of the Management Committee
- d) The appointment of an Auditor.

All members may attend and participate as determined by the Chairperson but voting rights are as provided for in the Constitution 4.2.a (Ordinary Members):

- a) Ordinary Members

Ordinary Members' privileges shall be limited only to the extent that eligibility is dependent upon them also being voting members of the Club. An ordinary membership shall automatically revert to that of Social Membership when voting membership of the Club no longer applies to the member.

Voting members of the Club as relates to Palm Beach (Qld) Surf Life Saving Club are as provided for in the Club Rules as follows:

- 3.1 Only financial Active, Reserve Active, Long Service, Honorary Life Members and officers shall be eligible to vote at Council Meetings and shall be entitled to one vote each and the case of an equality of votes the Chairperson shall have a second or casting vote, provided that no members shall be entitled to vote at any General meeting if his annual subscription is in arrears at the date of the meeting.

Notice of Supporters Club AGM

ELECTION OF OFFICERS

- 1.1 Officers shall be elected annually at the Annual General Meeting by secret ballot (if necessary).
- 1.2 Nominations, which shall be in writing, shall be lodged with Secretary at least fourteen (14) days before the Annual General Meeting at which the election is to take place.
- 1.3 A list of the candidates' names in alphabetical order will be posted in a conspicuous place in the office or usual place of meeting of the Association for at least seven (7) days preceding the Annual General Meeting.
- 1.4 Should at the commencement of such meeting, there be insufficient number of candidates nominated, nominations may be taken from the floor of the meeting.
- 1.5 Voting shall be by show of hands or a division of Ordinary Members, unless not less than one-fifth of the Ordinary Members present demand a ballot, in which event there shall be a secret ballot. The Chairman shall appoint two members to conduct the secret ballot in such a manner as he shall determine and the result of the ballot as declared by the Chairman shall be deemed to be the resolution of the meeting at which the ballot was demanded.

NOMINATIONS

All nominations are to be submitted - Attention The Secretary c/o Palm Beach (Qld) Surf Life Saving Supporters Club Inc. prior to **Friday 9th June, 2023 at 5pm**.

No electronic nominations will be accepted.

Please address all nominations to;

The Secretary

Palm Beach (Qld) SLS Supporters Club Inc

PO Box 13

Elanora Qld 4221

*No late nominations will be accepted under any circumstances
All nominations are to be submitted on the appropriate form
available from Reception*

Supporters Club President's Report

What another fantastic year the Supporters Club had in 2022-23.

We saw through the middle part of the year a very constrained labour market that put enormous strain on our staff across the Club, chefs were as rare as a Gordon Ramsay compliment. However, in true Palmy spirit and off the back of great leadership from Daragh and our management team, the Supporters Club were able to push through and achieve revenues over \$10M for the first time in the Supporters Club's history. Congratulations and thank you to all the team on the floor and the administration staff that all work tirelessly to deliver the quality service that our Club delivers to the local community. We truly are Palmy's community hub due to your dedication and efforts.

**Supporters Club President
Dale Scotcher**

The Supporters Club Committee have this year been embarking on long term visioning for the Club in conjunction with the Surf Lifesaving Club Committee. The aim is to align the two Clubs long term goals and ensure that both entities have the financial stability and the right facilities, to deliver our services to members of the public on the beach and in the bistro. This is an on-going project that will guide us over the coming years so our Club continues to be Palm Beach's true meeting place.

Even though 2022-23 has been another amazing team effort it would be remiss of me not to highlight a couple of individual milestones. Our Executive Chef Dom Olofai, won Chef of the Year at the recent Clubs Queensland Awards. We take for granted the quality of the meals coming out of our kitchen but Dom's achievement highlights how lucky we are to have him leading our kitchen team. Well done, Dom!

Also, Deb Baker recently celebrated 25 years working at the Club. Deb is well loved and very well known at the Club. We are looking forward to having Deb around for another 25!

On behalf of the Supporters Club Committee I want to thank all our staff and patrons for making our Club what it is and we look forward to another successful year in 2023-24.

Dale Scotcher
Supporters Club President

With thanks to our Supporters Club committee

President	Dale Scotcher
Secretary	Tony Rapallo
Treasurer	Donna Hollier

Executive Manager's Report

The past year has again been filled with challenges as well as many lasting memories. The Supporters Club traded at record levels this year, as a result of growing loyalty from our members in response to our team constantly striving for excellence across the Club. We were also aided by favourable weather over our key trading periods.

This year our Supporters Club Committee commenced a strategic planning process, in conjunction with our Surf Lifesaving Club. This will hopefully allow us to proactively plan for what will certainly be a challenging yet exciting few years ahead. Both Committees are to be commended for their hard work, dedicated to protecting and improving Palm Beach Surf Club for all our stakeholders.

Our key strategies for this year could be summarised as:

- Protecting our people, our Club and our Community
- Enhancing the member experience of their Club
- Investing in the physical aspects of the building and property
- Inspiring & developing our people

In March, as part of the Clubs QLD Awards for Excellence, we were all thrilled to see our Executive Chef, Dom Olofai, recognised as the QLD Chef of the Year. We were also honoured to be acknowledged as one of the best 3 Surf Clubs in QLD. Of course, we will be striving to improve even further again next year.

**Supporters Club
Executive Manager
Daragh Murphy**

In May we were honoured to celebrate with Deb Baker, her 25th anniversary of service to our Club. Deb has long been a dedicated volunteer on the beach, even before she joined our team in an employed role. Her love for Palm Beach Surf is evident every day, when she brightens the Club with her positive outlook and vivacious personality. In Deb's 25 years she has seen a lot of change, all of which she has taken in her stride with enthusiasm and a helping hand. Deb represents the core values of our Community Club perfectly, always respecting and looking after others around her. We are truly honoured to work alongside this amazing lady on a daily basis, and wish her many happy returns of this anniversary.

Deb paid tribute to all the wonderful volunteers and team members she has worked with at Palm Beach Surf Club over her 25 years of service.

This year we have faced many challenges such as the ongoing disruption from the Monroe construction next door, the severe staffing shortages, particularly in the kitchen and of course inflationary pressures across our supply chains. Surviving all the challenges mentioned above was only made possible through the support of many great people, all of whom have found time to help their Club whilst dealing with their own challenges also. I would like to thank all those who have contributed to our Club this year. As mentioned above, we have been buoyed by the tremendous support of our members and local residents.

Without doubt, our customer service has gone from strength to strength again this year, and I would like to take this opportunity to thank all of our team for their tireless work. Particular thanks go to our Senior Managers, Alison Hilliard, Naomi Currie, Carly Way, Dom Olofai, Monique Kebby, Qwen Dwyer and Will Larkin.

Executive Manager's Report cont.

Our Employee of the Year award for 2022 was hotly contested by our deserving monthly award winners. Our team all joined together to congratulate Joshia Lee on being crowned the overall winner.

We have said goodbye to some wonderful team members this year, as they pursue new opportunities. This has opened the door for some amazing new team members to join us and bring new perspectives and ideas to invigorate the team.

In summary, this year has shown us how much potential exists for our Club to become a trusted social hub for our local community; and in turn to support our Surf Club and our community. With renewed determination, we look forward to achieving that potential with your support.

In closing, I would like to thank everyone who has contributed to the Supporters Club in the last 12 months, as members, as staff, or as volunteers. Special thanks to our wonderful committee led by Dale Scotcher, whose support during the year has been invaluable.

Daragh Murphy

Board Report

30 April 2023

The Board submit the financial report of the Association for the financial year ended 30 April 2023.

1. General information

Board members

The names of Board members throughout the year and at the date of this report are:

President	Mary Farrell
Vice President	Greg Cox
Director	Richard Forbes
Treasurer	Scott Lyall
Secretary	Anna Carroll

Principal activities

The principal activities of the Association during the financial year were:

To promote, advance and control the work of Surf Life Saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfil any charter of the association including its environment and community education commitments.

Significant changes

No significant change in the nature of these activities occurred during the year.

2. Operating results and review of operations for the year

Operating result

The profit of the Association for the financial year after providing for income tax amounted to \$ 229,318 2022: \$ Loss (162,612)).

Signed in accordance with a resolution of the Members of the Board:

Palm Beach QLD Surf Life Saving Club Inc

ABN 81 799 531 933

Notes to the Financial Statements

For the Year Ended 30 April 2023

The financial statements cover Palm Beach QLD Surf Life Saving Club Inc as an individual entity. Palm Beach QLD Surf Life Saving Club Inc is a not-for-profit Association incorporated in Queensland under the Associations Incorporations Act 1981 (QLD) (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2020), and registered under Division 60 of the Australian Charities and Not-for-profits Commission Act 2012.

The functional and presentation currency of Palm Beach QLD Surf Life Saving Club Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

New and amended Australian Accounting Standards that are effective for the current year

At the date of authorisation of these financial statements, the Association has not applied the following new and revised accounting standards that have been issued but are not yet effective.

- AASB 2020-1 Amendments to Australian Accounting Standards -Disclosure of accounting policies;
- AASB 2020-1 Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-Current; and
- AASB 2021-2 Disclosure of Accounting Policies, Changes in Accounting Estimates and Errors—Definition of Accounting Estimates.

The committee do not expect that the adoption of the Standards listed above will have a material impact on the financial statements of the association and in the main will only impact additional disclosures in the accounting policy notes in future periods

2 Summary of Significant Accounting Policies

(a) Income Tax

No provision for income tax has been raised, as the club is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

(b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Palm Beach QLD Surf Life Saving Club Inc

ABN 81 799 531 933

Notes to the Financial Statements

For the Year Ended 30 April 2023

2 Summary of Significant Accounting Policies

(c) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Land and buildings

Buildings are measured using the cost model.

Freehold land is measured using the revaluation model.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

Freehold land is not depreciated. The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Surf club equipment	2.5%-33.33%
Buildings and improvements	2.5%-15%
Plant and Equipment	10%-20%
Office equipment	25%-33%
Furniture, Fixtures and Fittings	10%-20%
Motor Vehicles	15%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(d) Leases

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment

Notes to the Financial Statements

For the Year Ended 30 April 2023

2 Summary of Significant Accounting Policies

(d) Leases

in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

3 Critical Accounting Estimates and Judgments

The Board make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - useful life of fixed assets

The Association reviews its estimate of the useful life of depreciable assets at each reporting date, based on the expected utility of the assets.

Key estimates - provision

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Key estimates - receivables

Palm Beach QLD Surf Life Saving Club Inc

ABN 81 799 531 933

Notes to the Financial Statements For the Year Ended 30 April 2023

3 Critical Accounting Estimates and Judgments

Key estimates - provision

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Key estimates - inventories

The Association reviews its estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

4 Revenue and Other Income

	2023	2022
	\$	\$
Donations income		
- Donations from supporters club	560,933	284,037
- Donations other	74,022	61,113
Total donations income	634,955	345,150
Other revenue		
- Junior revenue	22,103	29,919
- Senior revenue	24,955	20,904
- Government subsidies/grants	37,503	60,966
- Membership income	62,355	69,418
- Licence fees	217,349	204,886
- Sundry income	87,155	49,680
	451,420	435,773
Total Revenue	1,086,375	780,923

Sale of Goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest Revenue

Interest revenue is recognised using the effective interest rate method.

Grant Revenue

Grants with conditions attached which must be satisfied before the contributions will be received will be recognised as revenue only when those conditions are satisfied.

When grant revenue is received whereby the company incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Membership Income

The Association has implemented AASB 15 which requires membership income to be reported over the term of the

Palm Beach QLD Surf Life Saving Club Inc

ABN 81 799 531 933

**Notes to the Financial Statements
For the Year Ended 30 April 2023**

4 Revenue and Other Income

membership due. Membership income is reported in line with the memberships useful life and subsequently apportion of membership income treated as fees in advance.

Other Income

Other income is recognised on an accruals basis when the Association is entitled to it, which is generally at the time of receipt.

5 Other expense

	2023	2022
	\$	\$
Loss on disposal of assets	-	127,243
Coaching expense	35,290	25,693
Insurance	18,852	15,687
Workers compensation	20,028	20,641
Management fee	9,600	9,600

6 Cash and Cash Equivalents

	2023	2022
	\$	\$
Bank balances	417,768	358,833
Cash on hand	100	100
Total cash and cash equivalents	417,868	358,933

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

7 Trade and Other Receivables

	2023	2022
	\$	\$
CURRENT		
Trade receivables	15,400	18,857
Deposits	-	591
Total current trade and other receivables	15,400	19,448

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from other debtors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets.

Palm Beach QLD Surf Life Saving Club Inc

ABN 81 799 531 933

Notes to the Financial Statements For the Year Ended 30 April 2023

8 Inventories

	2023	2022
	\$	\$
At cost:		
Stock on hand	50,798	56,396
Total inventory	50,798	56,396

Inventories are measured at the lower of cost and net realisable value. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

9 Other Assets

	2023	2022
	\$	\$
Prepayments	13,086	12,735
Total other assets	13,086	12,735

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PALM BEACH SURF LIFE SAVING CLUB INC.

Opinion

We have audited the financial report of Palm Beach Surf Life Saving Club Inc., which comprises the assets and liabilities statement as at 30 April 2023, the income and expenditure statement for the year ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the financial report of Palm Beach Surf Life Saving Club Inc. is in accordance the accounting policies described in Note 1 to the financial statements and the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- Giving a true and fair view of the association's financial position as at 30 April 2023 and of its financial performance for the year then ended; and
- Complying with the Accounting Standards to the extent described in Note 1 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

The committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Standards legislation.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
PALM BEACH SURF LIFE SAVING CLUB INC.**

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Palm Beach QLD Surf Lifesaving Club Supporters Club Inc

ABN 95 556 287 505

Notes to the Financial Statements

For the Year Ended 30 April 2023

The financial statements cover Palm Beach QLD Surf Lifesaving Club Supporters Club Inc as an individual entity. Palm Beach QLD Surf Lifesaving Club Supporters Club Inc is a not-for-profit Association incorporated in New South Wales under the Associations Incorporations Act 1981 (QLD) (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2020).

The functional and presentation currency of Palm Beach QLD Surf Lifesaving Club Supporters Club Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

New and amended Australian Accounting Standards that are effective for the current year

At the date of authorisation of these financial statements, the Association has not applied the following new and revised accounting standards that have been issued but are not yet effective.

- AASB 2020-1 Amendments to Australian Accounting Standards -Disclosure of accounting policies;
- AASB 2020-1 Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-Current; and
- AASB 2021-2 Disclosure of Accounting Policies, Changes in Accounting Estimates and Errors—Definition of Accounting Estimates.

The committee do not expect that the adoption of the Standards listed above will have a material impact on the financial statements of the association and in the main will only impact additional disclosures in the accounting policy notes in future periods

2 Summary of Significant Accounting Policies

(a) Income Tax

The Income Tax Assessment Act 1997 provides that under the concept of mutuality clubs are only liable for income tax on income derived from non-members and from outside entities.

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting year. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Notes to the Financial Statements

For the Year Ended 30 April 2023

2 Summary of Significant Accounting Policies

(b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(c) Property, plant and equipment

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	20%
Furniture, Fixtures and Fittings	20%
Gaming Machines	15-25%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(d) Operating leases

The Association lease land, building and improvements for period up to 10 years from the Surf Club. Lease contracts may contain both lease and non-lease components. The Association allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone price. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interest in the leased asset that are held by the lessor. Leased assets may not be used as security for borrowings purposes.

The Association has elected IT equipment and other plant and equipment meeting the criteria of low-value assets are recognised as such. Leases of low-value assets and payments relating to short-term leases (leases with a less term of 12 months or less) are recognised on a straight-line basis as an expense.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement lease liability;

Notes to the Financial Statements

For the Year Ended 30 April 2023

2 Summary of Significant Accounting Policies

(d) Operating leases

- any lease payment made at or before the commencement date less any lease incentive received;
- any initial direct costs and,
- restoration costs.

Right-of-use are depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Association is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Liability arising from a lease are initially measured on a present value basis. Lease liability include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable the Association under residual value guarantees;
- the exercise price of a purchase option if the Association is reasonably certain to exercise that option; and,
- payments of penalties for terminating the lease term reflects the Associations exercising that option.

3 Critical Accounting Estimates and Judgments

The Committee make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - impairment of intangible assets

The Association monitor the fair value of website for indication of impairment on entitlements held at cost.

Notes to the Financial Statements

For the Year Ended 30 April 2023

3 Critical Accounting Estimates and Judgments

Key estimates - useful life of fixed assets

The Association reviews its estimate of the useful life of depreciable assets at each reporting date, based on the expected utility of the assets.

Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Key estimates - provisions for gaming jackpots

The Association reviews its estimates and judgments for the methodology for the provision for gaming jackpots each reporting date. The Association takes up 100% of the jackpot liability.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Key estimates - inventories

The Association reviews its estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

Notes to the Financial Statements

For the Year Ended 30 April 2023

4 Revenue and Other Income

Revenue from continuing operations

	2023	2022
	\$	\$
Sales revenue		
- Bar sales	3,370,326	2,807,167
- Bistro sales	5,292,230	4,210,843
- Merchandise sales	5,973	2,644
Total sales revenue	8,668,529	7,020,654
Service revenue		
- Gaming income	1,333,339	1,261,377
- Keno income	50,418	39,914
- Commissions recieved	20,653	15,729
- Membership fee	53,643	58,997
- Management fee	9,600	9,600
Total service revenue	1,467,653	1,385,617
Other income		
- Gain/(loss) on sale of fixed assets	(834)	6,112
- Sponsorship income	14,293	8,591
- Interest income	13,803	725
- Government grants/payments	1,330	20,277
- Other income	28,728	13,720
Total other income	57,320	49,425
Total Revenue	10,193,502	8,455,696

Sale of Goods

Revenue from the sales of goods comprises revenue earned from the provision of good, beverage and other goods and is recognised (net of rebates, returns, discounts and other allowances) on the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods.

Rendering of Services

Revenue from rendering services comprises revenue from gaming facilities together with other services to members and other patrons of the club and is recognised when the services are provided.

Interest Revenue

Interest revenue is recognised using the effective interest rate method.

Other Income

Other income is recognised on an accruals basis when the Association is entitled to it, which is generally at the time of receipt.

Membership Income

The Association has implemented AASB 15 which requires membership income to be reported over the term of the membership due. Membership income is reported in line with the memberships useful life and subsequently apportion of membership income treated as fees in advance.

Notes to the Financial Statements

For the Year Ended 30 April 2023

5 Cost of sales

	2023	2022
	\$	\$
Cost of sales - Bar	887,556	825,175
Cost of sales - Food	1,715,006	1,388,151
Cost of sales - Merchandise	3,932	1,995
Total cost of sales	2,606,494	2,215,321

6 Cash and Cash Equivalents

	2023	2022
	\$	\$
Cash on hand	97,090	107,010
Bank balances	1,143,556	1,291,013
Total cash and cash equivalents	1,240,646	1,398,023

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

7 Trade and Other Receivables

	2023	2022
	\$	\$
Trade receivables	9,379	6,953
Deposits	53,192	1,105
Total trade and other receivables	62,571	8,058

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from other debtors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets.

8 Inventories

	2023	2022
	\$	\$
At cost:		
Stock on hand	102,456	96,809
Total inventory	102,456	96,809

Inventories are measured at the lower of cost and net realisable value. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

12 Leases

Right-of-use assets

\$

Year ended 30 April 2023

Opening balance	1,147,453
Decrease due to remeasurement of lease liability	(46,254)
Additions to right-of-use assets	129,646
Amortisation	(177,424)
Balance at end of year	1,053,421

\$

Year ended 30 April 2022

Opening balance	1,309,012
Amortisation	(161,559)
Balance at end of year	1,147,453

The Association's lease portfolio includes property and equipment. These leases have various lease terms ranging from 5 years to 10 years as follows:

Lease :

Building: Jefferson Lane, Palm Beach - expiry date- 30th June 2029.

Equipment: Photocopier (Toshiba) - expiry date- 30th November 2023. This equipment is treated as an low value asset and expensed. Refer to accounting policy (d) and note 17.

Equipment: Cash Recycler Machine and ATM (Next Payments) - expiry date 31 May 2027

Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

	< 1 year	> 1 year	Total undiscounted lease liabilities	Lease liabilities included in this Statement Of Assets And Liabilities
	\$	\$	\$	\$
2023				
Lease liabilities	251,586	1,233,725	1,485,311	1,168,869
2022				
Lease liabilities	146,619	1,085,317	1,231,936	1,231,936

Notes to the Financial Statements

For the Year Ended 30 April 2023

13 Intangible Assets

	2023	2022
	\$	\$
Website development		
Cost	1,900	1,900
Accumulated amortisation and impairment	(1,660)	(1,280)
Total Intangible assets	240	620

In accordance with AASB 136 Impairment of Assets, the Association impairs the website design cost at each reporting period.

Impairment testing is an area involving management judgemental, requiring assessment as to whether the carrying value of website design cost can be supported by the net present value of anticipated future cash flow projections which have been discounted at an appropriate rate and using a terminal value to incorporate expectations of growth thereafter.

14 Trade and Other Payables

	2023	2022
	\$	\$
Trade payables	499,325	449,049
Tax payable	58,143	59,578
Deposits	2,543	2,775
Accrued expense	94,168	58,066
Other payables	5,627	7,422
Total trade and other payables	659,806	576,888

Trade and other payables are unsecured, non-interest bearing and are normally settled within 30 days. The carrying value of trade and other payables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

15 Borrowings

	2023	2022
	\$	\$
CURRENT		
Maxgaming terminal	-	8,750
Finance leases - gaming machines	-	36,860
Total current borrowings	-	45,610

The Association purchases Plant and Equipment under finance leases over one to three years. The hire purchase facility is secured against the assets purchased under these agreements.

Notes to the Financial Statements

For the Year Ended 30 April 2023

16 Provisions

	2023 \$	2022 \$
CURRENT		
Employee benefits	167,511	123,351
Jackpot provision	235,326	208,768
Total current provisions	402,837	332,119
NON-CURRENT		
Employee benefits	42,960	28,966
Total non-current provisions	42,960	28,966

Employee Benefits

Provisions are made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

Other Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

17 Other Liabilities

CURRENT		
Prepaid income	31,071	27,803
Total other liability	31,071	27,803

18 Leasing Commitments

Minimum lease payments under non-cancellable operating leases:		
Not later than one year	878	1,756
one to five years	-	878
Total operating leases	878	2,634

The Association holds two operating leases for photocopier. All balances are exclusive of GST.

19 Contingencies

In the opinion of the Committee of Management, the Association did not have any contingencies at 30 April 2023 (30 April 2022:None).

Notes to the Financial Statements

For the Year Ended 30 April 2023

19 Contingencies

Contingent Assets

The Association holds 50 gaming machine entitlements. The fair value of gaming machines entitlements per average price sold is \$5,363 (publication updated on ATO web site 29th October 2020). Palm Beach QLD Surf life Saving Club Supporters Club Inc total contingent asset of \$268,150.

20 Events after the end of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

21 Statutory Information

The registered office and principal place of business of the Association is:

Palm Beach QLD Surf Lifesaving Club Supporters Club Inc
117 Jefferson Lane
Palm Beach, QLD 4221

Palm Beach QLD Surf Lifesaving Club Supporters Club Inc

ABN 95 556 287 505

Statement by Members of the Committee

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report as set out on pages 2 to 17:

1. Presents fairly the financial position of Palm Beach QLD Surf Lifesaving Club Supporters Club Inc as at 30 April 2023 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Palm Beach QLD Surf Lifesaving Club Supporters Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President 

Treasurer 

Dated 13th June 2023

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PALM BEACH SURF LIFE SAVING CLUB SUPPORTERS CLUB INC.

Opinion

We have audited the financial report of Palm Beach Surf Life Saving Club Supporters Club Inc., which comprises the assets and liabilities statement as at 30 April 2023, the income and expenditure statement for the year ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the financial report of Palm Beach Surf Life Saving Club Supporters Club Inc. is in accordance with the *Associations Incorporation Act 1981(QLD (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2020))*, including:

- Giving a true and fair view of the association's financial position as at 30 April 2023 and of its financial performance for the year then ended; and
- Complying with the Accounting Standards to the extent described in Note 1 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of *Associations Incorporation Act 1981(QLD (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2020))*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981(QLD (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2020))* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Audit and Assurance

Registered Company Auditors
Tracey Adam, Gavin Dunn
Liability limited under a scheme
approved under Professional
Standards Legislation

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
PALM BEACH SURF LIFE SAVING CLUB SUPPORTERS CLUB INC.**

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
